MUHAMMAD AHMAD KHALIL

REACT JS(FRONT-END)&POWER APPS

React Js (Front-End)

I am an enthusiastic computer science student and always motivated to learn new technologies. Have a sound interest in programming, currently working in React Js, and also have completed some projects on power apps. I have completed several projects in different fields of Computer Science. Recently I have completed our final year project, Co-Traveler mobile App. I believe that when you combine hard work with kindness, you can achieve anything.

Work History

-  **React Js Developer** 06/2021 - currently working
